

Chelwood Health & Safety Update

Summer 2019

Chelwood is a 'NUT FREE ZONE'.

Please do not bring nut products onto the school premises.

We have children with severe NUT ALLERGIES who need us to help keep them safe.

Please help us keep them safe.

Thank you

Keep children safe

Put your phone away and focus on what your child they needs, what they are doing and what they say.

Remember some children cannot be photographed – sharing photos taken at school is a breach of the new data protection legislation.

Please do not use your mobile phone on the school premises.

Thank you

Help us keep track of childhood illnesses...

Don't forget to notify the school if your child is unwell Please remember: **you must notify the school by telephone if your child is not coming to school, or if they will be arriving late.**

School phone number: 020 7639 2514

School Rules for Safe Summer footwear....

Children must wear shoes that **cover and protect their toes** when they come to school. Many summer sandals **are not suitable for school** as they are open toed and do not provide sufficient grip and can be very slippery and unsafe when the children run and use the climbing and balancing equipment. If you are in any doubt about the suitability of your child's footwear for school a member of staff can advise you.

Sorry

NO Crocs,

NO flip-flops,

NO 'jellies'

NO open-toed sandals

Head bump information

If your child bumps their head or face at Chelwood, a qualified Paediatric First Aider will treat the bump, however minor it is.

Then you will be contacted by phone to inform you.

In most cases bumps are minor and your child will be fit to stay at school, but as a precaution a qualified First Aider will still call you to let you know that your child has had a bump to ensure

you can monitor their condition later in the day.

Adults please dismount from your bicycles before coming through the school gate.
Thank you
