Charging and remissions policy

1. Aims

Our school aims to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will and will not be made
- Provide a breadth of offers to our families whilst minimising the financial barriers that may prevent some children from taking full advantage of these opportunities

This policy should be read in conjunction with our Admissions Policy which sets out what places we offer to 2, 3, 4 and 5-year olds and how we offer them.

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#), [Early years entitlements: operational guidance](#), and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England.

It's also based on guidance from the DfE on [statutory policies for schools and academy trusts](#).

3. Definitions

Charge: a fee payable for specifically defined activities

Remission: the cancellation of a charge which would normally be payable

2-year old entitlement: 15-hour entitlement for the most disadvantaged two-year-olds (applied for through the local authority)

Universal entitlement: 15-hour entitlement for parents of all three- and four- year-olds (regardless of income)

Extended entitlement: additional 15-hour free entitlement for working parents of three- and four-year-olds (applied for through the [Government Gateway](#))

4. Roles and responsibilities

8. Refundable deposit

In line with the Early years operational guidance 2018, we will charge a deposit for those places using additional hours over and above the free entitled hours provided by the Government. This deposit will either;

- be refunded after the census date of the term the child starts in the nursery school e.g. for a child starting in September the deposit will be refunded in the week of October (Census/ headcount day being the first Thursday in October).
- be used to offset any charges payable to the school for additional hours, school dinners, school sweatshirts etc.
- be retained if the family do not take up the place.

9. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include (but are not limited to):

- School lending library
- School trips
- Healthy snacks

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay.

If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

10. Education outside school hours – ‘optional extras’

The Governing Body of Chelwood Nursery School may charge for activities that happen wholly or in partly outside school hours. These activities may be charged for as ‘optional extras.’ Charges for these activities will be made to cover the actual costs of the activity taking place. This may include the cost of renting space for the activity to take place, entrance fees to a venue, professional fees of a service provider, transport costs for traveling to the activity. In the case of a trip to the theatre charges would cover the actual cost of transport to the theatre and the cost of the tickets. The permitted charge may include an allowance for the costs of teachers from the school who supervise the activity.

Where a charge is made for each child, this will not exceed the actual cost. If further funds need to be raised, for example, to help in hardship cases, this must be by voluntary contributions or general fund-raising.

Hardship cases: Families whose children qualify for Free School Meals may qualify for help with the cost or may get it free.

11. Remissions

In some circumstances, the school may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the governing board or Headteacher and will depend on the activity in question.

12. Late pick up fees

A late fee will apply if a child is not collected on time at the end of the session - outside of the agreed school hours or the contracted hours. For example;

- 12:00 noon for morning children after the morning session ends
- 3:30pm for full time or afternoon children after the afternoon session ends
- 6:00pm for children attending the After School Club

Late pick up of a child, can negatively impact on the child’s wellbeing, and the ability of staff to carry out their duties. The late fee is explained in the contract.

13. Written agreement

The school will provide all families with a written agreement which will set out what place is being offered and how it will be funded. Families will be required to sign this agreement and agree to

the terms and conditions set out within it before a place can be confirmed.

14. Monitoring arrangements

The School Business Manager monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed by the Headteacher every year. At every review, the policy will be approved by the Finance Committee.
